AN ACT to amend Tennessee Code Annotated, Title 58, Chapter 1, relative to termination of appointments for certain reserve component officers.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 58-1-218, is amended by deleting subsection (2) in its entirety and substituting instead the following language:

(2) Attainment of maximum ages as prescribed in federal law. Nothing in parts 1, 2 and 4-6 of this chapter shall be construed to give any officer the assurance of serving until the officer has reached the maximum age, the same being merely definitive of the maximum age to which the officer may serve if the officer's recognition is not withdrawn for other causes herein enumerated. The appointment of any AMMED (army medical department) officer may be extended by the governor or the adjutant general if such officer can continue to serve as a federally recognized member of the reserve components under applicable federal law or the rules and regulations of the National Guard Bureau of the United States. The adjutant general may, in the adjutant general's sole discretion, extend the termination of any warrant officer to the last day of the month in which such officer reaches age sixty-two (62);
